Bank of Godland**

Indigenous World Order Bank of Godland CoNstituting ACT 11.06.(1)2017

See new definitions in glossary of terms at the end

An Act of establishment of InCoNporation that clarifies the powers of the visible, wise, living, loving and responsible Diarchs, CoNns of Indigenous World Order of Godland. Highnesses Ditta and Leif of Indigenous World Order of Godland present several Requirements and Duties for establishment of safe future for humanity. Thus is restored the establishment of a gift economy which replaces the racist Rothchilds Roman Reich (RRR) shadow emperor's private CoRporation (corps – not alive)- and the imposed Straw Man cage enforcing hidden Maritime laws. The Act establishes mechanism to deliver Godlanders' Rights returning humans proclaimed dead at sea Life and providing everybody with Gifts of Bread, Water, Land, Communications, Housing and other basic commodities.

Any Legal State acknowledges the international legal rule and the legal capacity of the Indigenous World Order of Godland within the State. The State shall at all times ensure that the Bank and the Court of Godland benefits from or is granted in all respects treatment at least as favorable as

that granted by the State to any other intergovernmental organisation in the State. With regard to fiscal matters the Bank and the Court shall benefit from treatment even more favourable than that granted generally by the State to intergovernmental organisations in the State, taking due account of the specific function of the Representative Office to promote Wealth and Justice through financial cooperation in the world.

The 14 parameters of Baltic Sun Model are one more KoNceptual base of the Rights of Godlanders – to have guaranteed 1) free will labor, 2) love laws, 3) social insurance, 4) selfgoverned money, 5) peace, 6) stability, 7) fertility, 8) identity, 9) selfgoverned resources, 10) energy, 11) true knowledge, 12) real networks, 13) control the order, 14) be loved and love. This Act together with the Godlanders’ Rights Act and the Indigenous World Order Court of Godland Act secures certain Recompenses and Advantages for all Living humans on Earth who are hereby labeled Energisers and on whose vital energy, as the greatest value, through Indigenous World Order Bank of Godland is advanced the Sum of

One quadrillion World Indigenous Runes of oxa towards

carrying on Indigenous Decentralisation of the war economy CoRporations (corpses) of the world to restore the primary goals of common good, under the leadership of indigenous culture bearers of peace, love and welfare. For this the Diarchs have restored the legal titles of all human souls and have accounted all birth certificate bonds to be property of the alive soul called Energiser with 143 Trillion WIR value each.

This Act has the effect of conveying the right of use of the land as Real Property, from the Express Trust Unam Sanctam and the control of the Pontiff, to the Indigenous World Order Bank of Godland and the Diarchs, Ditta and Leif of Godland, and their successors in perpetuity. Hence, all land is hereby claimed as “indigenous land of Indigenous World Order of Godland”.

This creation act is accounted and managed through the Indigenous World Order Bank of Godland as a necessary replacement structure by the Diarchs of Godland who, on 11.6.17, closed all global CoRporation (corpse) syndicates of Roman Reich, that had proclaimed all souls of humans to be property of the Pope of Rome and all of the living men’s and women’s bodies to be dead at sea – including You, dear! Furthermore these syndicates have established a global depopulation matrix in almost every aspect of human reality and are perpetrating a mass murder on an unprecedented global scale in times of pretended peace and even by escalating a full scale 3rd WW.

To stop these global evils the Diarchs of Godland have taken following measures:

Earth is returned to all the Living Energisers to be ruled by loving Godlanders

BE IT FURTHER KNOWN that as of June 11, 12017 (10.000 years added in indigenous calendar) the UNAM SANCTUM of 1302 which declares it “absolutely necessary for salvation that every human creature be subject to the Roman Pontiff” is NULLIFIED. The Universe, inclusive of Earth, is returned to all men and women alive, THE RIGHTFUL HUMAN HEIRS OF CREATION.

BE IT KNOWN that as of June 11, 12017 the United Nations, Vatican City parent CoRporation, is FORCLOSED. Vatican City is REPOSSESSED. The office of “Pontiff” is RETIRED. The Vatican is officially and lawfully DIVESTED OF POWER.

Therefore **Main Papal Bulls** - issued by popes of the Roman Catholic Church and nullified by the Diarchs of Godland on 11.06.17. include even the **Three Crown Bulls**

1. first Testamentary Trust, through a deed and will creating a Deceased Estate, was created **by Pope Nicholas V in 1455, through the Papal Bull Romanus Pontifex**. This Bull had the effect of conveying the right of use of the land as Real Property, from the Express Trust Unam Sanctam, to the control of the Pontiff and his successors in perpetuity. Hence, all land was claimed as “crown land”. This 1st Crown was represented by the 1st Cestui Que Vie Trust, created when a child was born. It deprived us of all beneficial entitlements and rights on the land.

2. second Crown was created in 1481 with the papal bull Aeterni Regis, meaning “Eternal Crown”, by Sixtus IV. This 2nd Crown of Spain was represented by the 2nd cestui Que Vie Trust, created when a child was born and, by the sale of the birth certificate as a Bond to the private central bank of the nation, depriving us of ownership of our flesh and condemning us to perpetual servitude, as a Roman person, or slave.

3. crown paper bull was created in 1537 by Paul III, Crown Bar, or simply the Crown, or the Bar Associations have since 1816 been responsible for administering the “reaping” of the souls of the lost and damned, including the registration and collection of Baptismal certificates representing the souls collected by the Vatican and stored in its vaults. This 3rd Crown was represented by the 3rd Cestui Que Vie Trust, created when a child was baptized. It was the parents’ grant of the Baptismal certificate—title to the soul—to the church or Registrar. Thus, **without legal title over one’s own soul, we were denied legal standing and were treated as things—cargo without souls**—upon which the BAR was legally able to enforce Maritime law.

BE IT TREREFORRE KNOWN that all encyclicals, bulls, orders, decrees, and statements coming out of the Vatican City State or through any of its representatives are NULL AND VOID UPON INCEPTION.

Genocidal global banking system has been foreclosed

BE IT FURTHER KNOWN that the **genocidal global banking system** was canceled by Diachs of Godland in 11.6.17 through documents of the Diarchy of Godland and The Declaration of Peace. The **Genocidal global banking system** has been foreclosed even by One People's Public Trust (OPPT) in the **Bank Charters Cancelled Act** on Oct 24 2012: (Refer: TRUE BILL: WA DC UCC Doc# 2012114776 Oct 24 2012)

All countries are returned to their citizens by Diarchs of Godland

All countries have been returned to their citizens by the Diarchs of Godland after countries have been dissolved by private CoRporations pretending to be governments but in reality being syndicates of private CoRporations registered at US commercial code siccode.com and DNB.com, as for ex UNITED STATES CORPORATION COMPANY that has replaced state United States of America itself [us-corp-articles-of-inCorporation](#) . And it was Racist Rothchilds Roman Reich that had put United States land and people as collateral for private CoRporation UNITED STATES CORPORATION COMPANY through which unhumans had beslaved The People of America, as proof is documented in [usa-citizens-as-property](#) and explained in video <https://www.youtube.com/watch?v=w4Z-zu S2-s>

All war and war mangling corpses are being Indigenous Decentralised

Diarchs of Godland have proclaimed Peace and Love order of all things. All war and war mangling is criminalized. The war criminals who are escalating the 3rd WW are watched, registered and investigated to receive punishment or Indigenous-Decentralize the criminal structures into peaceful units under management of Peaceful and Loving Indigenous chiefs. Global war manglers are occupied with many ongoing wars and by some witnesses have far hedged plans to exterminate 90 % of worlds population

Nuclear winter prospects are getting hotter by the day
<https://www.youtube.com/watch?v=hfGdZsJnjU>

All nuclear war systems implementing corpses are being Indigenous Decentralised

The Baltic Sea Indigenous Court (on bsrrw.org) has criminalized global Nuclear War Systems and Depopulation Matrix and is investigating the involvement of ordinary administrators in mass murder and terrorism structures that pretend to be human but in reality are biorobotised and digitalised local armies of mass destruction and terror – organized units of crime, that have infiltrated and taken over common goods systems – with openly declared goals and means of genocide of depopulation.

Nuclear War Systems are all social, material, and spiritual systems that have been malfunctioning and misaligned causing the ongoing cold and close hot nuclear war.

All the CoRporations involved in global Nuclear War Systems and Depopulation Matrix are being Indigenous Decentralised.

All corpses implementation any parameters of Depopulation Matrix are Indigenous Decentralised

Fake national and international authorities, both secular and religious, hide their geopolitical intentions behind plausible deniability and impose genocide through false research, misleading news, the compartmentalization of knowledge, hierarchical governing structures, secrecy, manufactured consent and judicial protection thus turning medicine and public health into handmaidens of genocide, individual nations into *de facto* concentration camps, the entire planet into a theater of war, and every human being on the planet into a target, a victim and a beneficiary.

The ethical boundaries for this global genocide are set by religious authorities, which currently permit the involuntary sterilization of the masses only while healing or preventing disease (see paragraph 15 in encyclical [Humanae Vitae: On the Regulation of Birth](#)). Secular authorities work within the ethical parameters set by religious authorities and the military-industrial complex conceives and applies the methods of depopulation by adulterating the basic elements of life: water, food, beverages, cosmetic and consumer products – and most recently the air also – so that no one escapes the depopulation regime.

The consequences of this system are grave and tragic as witnessed by the fact that the demographic transition (the euphemism used for the depopulation program) has caused the epidemiological transition, that is to say the protracted and covert mass poisoning of the masses through the basic elements of life for the sake of limiting fertility and longevity has caused the epidemic of non-communicable diseases that have displaced infectious diseases as the primary killer of the global population, and have also damaged the genetic and intellectual endowment of mankind as well as

lowering the quality of life of billions of people and threatening mankind with extinction.

Many of the global depopulation systems parameters can be found represented in the mandala on the following page of works by Kevin Galalae:

The legal concern of an unregulated global economy driven by Artificial Intelligence

As the popularity of and demand for online currencies has increased since the inception of bitcoin in 2009, so have concerns that such an unregulated global economy that cryptocurrencies offer is a serious threat to society. Concerns abound that altcoins may become tools for anonymous web criminals. Cryptocurrency networks display a lack of regulation that has been criticized as enabling criminals who seek to evade taxes and launder money due to systems of anonymity.

The first decentralized cryptocurrency, bitcoin, was created in 2009 by pseudonymous developer Satoshi Nakamoto. Transactions that occur through the use and exchange of these altcoins are independent from the criminal Roman banking systems, but even from national states, and therefore can make tax evasion. Since charting taxable income is based upon what a recipient reports to the revenue service, it becomes extremely difficult to account for transactions made using existing cryptocurrencies, a mode of exchange that is complex and difficult to track. But even more severe is the fact that it contributes to the destruction of national states and can be a building part of the Artificial Intelligence takeover of the humanity.

Through IWOB of Godland everyone gets at last the long awaited CoNceptual choice of path

Diarchs of Godland work in Baltic Sea Indigenous Court re-establishing Divine order of Natural and Common Law to give everyone grounded CoNceptual choice that was hidden after Napoleons French freemason wars that established Maritime Law Era that has to end now.

Each administrator is brought to take personal responsibilities for their deeds and have to make a grounded CoNceptual choice as everyone is given the alternative to quit work for the occupying forces of Racist Rothchilds Roman Reich CoRporations and the sins may be forgiven but not forgotten, everyone can receive monthly oxa salary from Indigenous World Order Bank of Godland,

1. and professional oxa for highly Competent work that re-establishes the structures of real states and to local People loyal governments that have their own real money that is managed by real alive and visible rulers who don't work for foreign forces enforcing foreign war agendas, but are controlled by local people – the Energisers, whose rights and needs of security, safety and

- future planned kin fertility and family security is a professional's goal and oath and is checked with the Impact Index, or
2. and education oxa for re-programming education to work less and more lovingly and peacefully and be re-established professionally in CoNporations managed by Indigenous Chiefs of every local area, or
 3. and rehab oxa for deep rehabilitation in case of severe biorobotisation cases of total indoctrination into slavedriving, terrorizing and fooling people routines and activities, that have been enforced on them for decades by facist CoRporations ,
 4. or to receive pension oxa as a professionally functionally limited Energiser receiving pension of Godland with gratitude for understanding of the severe conditions and the total necessity for RRRR CoRporations to Stand Down as they are endless war structures,
 5. or to receive Indigenous Court penalties that includes the whole spectrum of Indigenous traditional penalties, including death penalty in severe cases of beyond help un-reprogrammable murder obsessions that cannot be prevented securely by incarceration or other human option of preservation of the Energiser (notice that in this order each Energiser has CoNporation Indigenous World Order Bank of Godland stock value of 140 Trillion WIR (World Indigenous Runes) and CoNporation will do all in its powers to preserve each Energiser's life.

Indigenous World Order Bank of Godland replaces the feudal enslaving structures empowering Energisers

The new CoNporation Indigenous World Order Bank of Godland is the core CoNtrameasure that replaces the feudal beslaving structures with structures of free and self-powerful people who are free to organize themselves as everybody can now co-create monthly income almost without any countable work and get investments necessary to heal local and global societies. The pyramidal monetary system is carefully abandoned and replaced by a sound and equal self-created and indigenous-managed oxa money. This is the restart of human society where Diarchs of Godland put their trust in human nature that is not lazy and self-destructive but manages to thrive through self-organisation – as only the wise, loving, experienced and reliable are allowed to have impact on the society.

Her Highness Ditta of Godland has supported the creation and implementation of oxa (*money that is not debt*)- the only God-given legitimate means of exchange of goods and services on Earth that stops all war and

suffering. The value of oxa is all the value of Earths energy, goods and services that are shared equally for the Energisers – humans - other beings under the management of the wise and loving indigenous peoples chiefs who know and establish the rights of Godlanders.

Each of the worlds 7 billion people is hereby called Energiser and provides the bond of the Indigenous World Order Bank of Godland with amount of One hundred and forty Trillion of World Indigenous Runes of oxa, each

and every, or any Part or Proportion thereof, may be assignable or transferable, assigned or transferred, to such Person or Persons only as shall freely and voluntarily accept of the same, and not otherwise; and to inCoNporate all and every such Energisers and Contributors, their ... Successors, or Assigns, to be one umbrella Body CoNporate and Politick, by the name of The Governor and CoNpany of the Indigenous World Order Bank of Godland, and by the same Name of The Governor and CoNpany of the Indigenous World Order Bank of Godland to have perpetual Succession, and a Common Seal, and that they and their Successors, by the Name aforesaid, shall be able and capable in Rule to have, purchase, receive, possess, enjoy, and retain to them and their Successors, Lands, Rents, Tenements and Hereditaments, of what Kind, Nature, or Quality whatsoever; and also to sell, grant, demise, alienise, or dispose of the same; and by the same Name to sue and implead, and be sued and impleaded, answer and be answered in Courts of Record, or any other Place whatsoever, and to do and execute all and singular other Matters and Things by the Name aforesaid, that to them shall or may appertain to do; subject nevertheless to the Proviso and Condition of Redemption herein after mentioned.

Rules for Redemption and Compensation

Their Highnesses appoint Rules for Redemption and Compensation and make the Energisers the value base of the the CoNporation and its oxa, as well as regain respect as a living subject with Rights, and in need of healing and security

1. And ... that it shall and may be Ruled by their Highnesses, by Letters Patents under the Great Seal of Indigenous World Order of Godland, to limit, direct, and appoint how and in what Manner and Proportions and under what Rules and Directions,
2. the said Sum of One trillion World Indigenous Runes of oxa to each Indigenous Nation 's million alive for compensation of genocide and democide , Part of the said by the Indigenous World Order Bank of Godland distributed Global Sum of One quadrillion World Indigenous Runes of oxa,

3. and to support co-creation of the said yearly Sum of monthly oxa at at least Twelve thousand World Indigenous Runes of oxa to each grown up Energiser, Nine thousand World Indigenous Runes of oxa to Energiser pupil, and Six thousand World Indigenous Runes of oxa to each pre-school Energiser.

4. To support oxa for the co-creation of large oxa investments necessary for big environmental and economical reparations and council and government restorations of independent Nations, that have been dismantled by private CoRporation syndicates of Racist Rothchild Roman Reich.

4.5 To support oxa for the co-creation of oxa investments for establishment of Godlanders' rights in all 14 parameters of Baltic Sun Model.

Rescuing people from CoRporations of CNWS death cult

And to the Intent that their Highnesses' Subjects may not be oppressed by the Criminal Nuclear War System CoRporations that have no right to hold Energisers trapped within Demonic Death Cage Matrix of Depopulation: In the case such CoRporations may be refusing Indigenous Decentralisation, by their monopolizing or ingrossing of any Sort of Goods, Wares, or Merchandizes, the said Indigenous World Order Bank of Godland CoNporation to be made and created by this Act shall not at any Time, during the CoNtinuance thereof, deal or trade, or permit oxa shares to any Person or Persons whatsoever, either in Trust or for the Benefit of the same, to deal or trade with any of the Indigenous World Order Bank of Godland Stock Moneys, or Effects of, or any Ways belonging to the Indigenous World Order Bank of Godland CoNporation, in the buying or selling of any Indigenous World Order Bank of Godland supported Goods, Wares, or Merchandizes whatsoever; and every Person or Persons who shall so deal or trade, or by whose Order or Directions such Dealings or Trading shall be made, prosecuted or managed, shall forfeit for every such Dealing or Trading, and every such Order and Directions, treble the Value of the Goods and Merchandize so traded for, to such Person or Persons who shall sue for the same by Action [in the Local or the High Indigenous Court].

Indigenous World Order Bank of Godland methods

Indigenous World Order Bank of Godland shall distribute Oxa investments evenly to societies of any race, ethnogenetical type or culture, though on the conditions of restoring the traditional areas of Indigenous cultures and therefore using just preferences in each area to decentralize occupying forces of the nuclear war economy era into peaceful towns, eco-villages and farms of era of Godland.

The feudal New World Order melts without suffering by use of Oxa, that is created by each indigenous Energiser as a monthly income for one self or ones dear, registering monthly oxa, that loses its original value $\frac{1}{4}$ each month, is registered with local Indigenous society and converted at local council's parliament, that reports the oxa exchange to Indigenous World Order Bank of Godland on quarterly bases.

Provided that nothing herein contained shall any Ways be construed to hinder the said Indigenous World Order Bank of Godland Corporation from dealing in Bills of Exchange, or in buying or selling any Goods, Wares or Merchandise and Services whatsoever, with exception of any trade that may resemble any kind of human trafficking or cause any genocide.

Indigenous World Order Bank of Godland supports the transactions with Baltic sea Indigenous Runes (BIR) and World Indigenous Runes (WIR) that are base of any currency

Any oxa co-issuing union has to be registered with Indigenous World Order Bank of Godland . The original oxa units - Baltic Indigenous Runes (BIR) - have been emitted by Ditta of Godland and first accounted in the books of Baltic Indigenous Bank of Godland by konna of Indigenous Peoples of Baltic Sea and the world, as it has been practiced in Europe (UK, Swiss, Austria etc) for thousands of years using Tally Sticks. For global community investments a quadrillion BIR has been emitted, but You have to create Your local oxa union for basic rationing with Your own WIR first.

1 BIR/WIR = 1 Euro. BIR = Baltic sea Indigenous Runes. WIR = World Indigenous Runes.

The commodity of BIR/WIR is the fertile seed and the vital energy of indigenous peoples and their highly valuable spiritual power, the rights of Indigenous Peoples to rule their lands re-establishing the Era of Fertility and Love, that for thousands of Years healed all areas of Mother Earth.

All indigenous peoples receive compensations to them personally and their families, kins, tribes and communities for 999 years of genocide and democide.

Tally Sticks or coupons

Tally Stick as well as any other sound means of **recognizable oxa** issuance documentation as **local coupons** can be applied. The oxa document contains following information – the oxa issuers seal or signature and contact details that identify the issuer as living, the amount of oxa, the date it is created and the parts involved in the

transaction. The tally stick is accompanied with the transaction document that specifies the detail.

Oxa for right to Indigenous Decentralisation of deadly CoRporations

Anonymous **debt money grid**, issued by few organized feudal CoRporate war mafias with hidden owners of Federal Reserve Bank in US and all central banks of Bank of International Settlements in Switzerland, **has to be carefully sourced out through a loving and friendly process** of CoNporatisation of these CoRporate conglomerates into to indigenous people reliable units.

All the 9 countries of Baltic sea region, and 134 more countries, 13-9-(1)2007 ratified the Declaration on the Rights of Indigenous Peoples where Article 20. p. 1. states

Indigenous peoples have the right to maintain and develop their political, economic and social systems or institutions, to be secure in the enjoyment of their own means of subsistence and development, and to engage freely in all their traditional and other economic activities.

Diarchs of Godland, BSIC etc have criminalised mega fraud of enslavement through 3 crowns and UPIK.de and DNB.com corpses

Diarchs of Godland have criminalised and nullified all lawful grounds for the genocidal spider net of CoRporate religious, banking, military, pretence governmental and other fraudulent units registered in private mega fraud of enslavement through UPIK.de and DNB.com.

Generally BIR/WIR oxa is basic to get out of the digital and automated systems that have got out of the control of indigenous management as they have been stolen from the states by private stock exchange syndicates and are managed now by military-bankster mafias to leave the people resource less and massacred.

Any digital money has to be attached to local Oxa to be legitimate and safe.

Oxa Godland-income to escape the genocidal grid

Anybody, even people involved in the genocidal systems – either as a victim or a perpetrator, can **claim protection of Godland and receive Godland-income** to escape the genocidal grid of the CoRporate labor market. You have to make a CoNmitment in a form of loyalty CoNtract to Indigenous people of the region where

You live and **demand Your government to get Your tax payments to be sent to indigenous Godland of Your state.**

And we, Ditta and Leif of Godland do hereby for Us, our Heirs and Successors, and All the seven billion Energisers of the World do declare, limit, direct and appoint, that the aforesaid Sum of

One quadrillion World Indigenous Runes of oxa

so subscribed as aforesaid, shall be, and be called, accepted, esteemed, reputed and taken.

The seven billion human Energiser energized pool of One quadrillion (1,000,000,000,000,000,000,000 (10²⁴) WIR (World Indigenous Runes) oxa of the CoNporation Indigenous World Order of Godland is hereby CoNstituted.

In Witness whereof, we have caused these our Letters to be made Patents. Witness our selves at Jordbro, the eleventh day of June, in the first Year of our Reign - 12017.

Allt the Love of the Gods is with Us as Our Love is with the Gods.

Papal Bulls - a type of public decree, letters patent, or charter issued by a pope of the Roman Catholic Church and nullified by the Diarchs of Godland on 10.06.17.

Main Papal Bulls - Unam Sanctam and Three Crown Bulls

0. In 1302 Pope Boniface issued his infamous Papal Bull ***Unam Sanctam***--the first Express Trust. The last line reads: “Furthermore, we declare, we proclaim, we define that it is absolutely necessary for salvation that every human creature be subject to the Roman Pontiff.” It is not only the first trust deed in history but also the largest trust ever conceived, as it claims the whole planet and everything on it, conveyed in trust.

1. first Testamentary Trust, through a deed and will creating a Deceased Estate, was created **by Pope Nicholas V in 1455, through the Papal Bull Romanus Pontifex**. This Bull had the effect of conveying the right of use of the land as Real Property, from the Express Trust Unam Sanctam, to the control of the Pontiff and his successors in perpetuity. Hence, all land is claimed as “crown land”. This 1st Crown is represented by the 1st Cestui Que Vie Trust, created when a child is born. It deprives us of all beneficial entitlements and rights on the land.

2. second Crown was created in 1481 with the papal bull Aeterni Regis, meaning “Eternal Crown”, by Sixtus IV. This 2nd Crown of Spain is represented by the 2nd cestui Que Vie Trust, created when a child is born and, by the sale of the birth certificate as a Bond to the private central bank of the nation, depriving us of ownership of our flesh and condemning us to perpetual servitude, as a Roman person, or slave.

3. crown paper bull was created in 1537 by Paul III, Crown Bar, or simply the Crown, or the Bar Associations have since 1816 been responsible for administering the “reaping” of the souls of the lost and damned, including the registration and collection of Baptismal certificates representing the souls collected by the Vatican and stored in its vaults. This 3rd Crown is represented by the 3rd Cestui Que Vie Trust, created when a child is baptized. It is the parents’ grant of the Baptismal certificate--title to the soul--to the church or Registrar. Thus, ***without legal title over one’s own soul, we will be denied legal standing and will be treated as things--cargo without souls***—upon which the BAR is now legally able to enforce Maritime law.

Rase –a CoNcept used in the categorization of humans into groups, called races or racial groups, based on combinations of shared physical traits, ancestry, genetics, and social or cultural traits.

Rasism - prejudice, discrimination, or antagonism directed against someone of a different race based on the belief that one's own race is superior. The belief that all members of each race possess characteristics, abilities, or qualities specific to that race, especially so as to distinguish it as inferior or superior to another race or races. Straw Man your strawman fiction was created at your birth registration and it has been used to make some very unscrupulous people rich. It happened because your parents were fooled into thinking that they needed to register your birth and get a birth certificate for you. Doing crimes to the strawman is not "lawful" but after the birth has been registered, it is "legal" and there is a world of difference between those two terms, a difference which it is very important that you come to understand clearly <http://www.bsrrw.org/wp-content/uploads/2015/05/Strawman.pdf>
